APRIL 13, 1993

IN RE: Application of Southern Bell Telephone & Telegraph Company for Approval of Revisions to its General Subscriber and Access Service Tariffs (Reference Tariff No. 92-274).) ORDER APPROVING) TARIFF, CANCELLING) HEARING, AND) CLOSING DOCKET)

This matter is before the Public Service Commission of South Carolina (the Commission) on Southern Bell Telephone and Telegraph Company's (Southern Bell's) request for approval of its proposed changes to its General Subscriber Services Tariff and Access Services Tariff. The changes are being proposed to introduce new service offerings for the provision of 800 service.

The Commission's Executive Director instructed Southern Bell to publish a prepared Notice of Filing in newspapers of general circulation in the affected areas one time. The purpose of the Notice of Filing was to inform interested parties of Southern Bell's filing and the manner and time in which to file the appropriate pleadings for participation in the proceeding. Southern Bell complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. A Petition to Intervene was filed by AT&T Communications of the

Southern States, Inc. (AT&T). AT&T has since notified the Commission that it no longer wishes to participate in this proceeding.

After review of Southern Bell's proposed changes to its General Subscriber Services and Access Services Tariffs, the Commission finds that the changes should be and are hereby approved. The Commission further finds that the hearing in this matter should be cancelled and the docket closed.

IT IS SO ORDERED.
